

Lt. Reed Rescues 21 After Sub Sank Their Ship

Lt. David O. Reed, Coast Guard pilot, who received flight training here, recently picked up 21 men in the Gulf of Mexico after an enemy sub had sunk the merchant ship on which the men were sailing.

Reed, flying a plane whose maximum capacity was nine people, brought the 21, all Norwegians, safely to New Orleans, landing in Lake Pontchartrain. He has been recommended for the distinguished service cross for his act of heroism.

Reed, while stationed here, married Miss Eileen Clancy, daughter of Mr. and Mrs. Dan J. Clancy, 1200 West Magnolia street.

The Reeds have two children, David Louis and Timothy Martin. Reed is stationed at Biloxi, Miss.
